The Waking

"It's dark, it's sexy, it's violent, it's funny –
THE CHILL is a blast."

BARRY EISLER, *NEW YORK TIMES* BESTSELLING AUTHOR OF *FAULT LINE*

"The darkest, sexiest, most twisted noir comic
I think I've ever read."

ED BRUBAKER, *NEW YORK TIMES*
BESTSELLING AUTHOR OF *CRIMINAL*

"Full of more grisly surprises than a backwoods fun house, fusing a noir cop sensibility to a balls-out supernatural thriller."

DUANE SWIERCZYNSKI, AUTHOR OF *EXPIRATION* AND *CABLE*

"A great addition to the best new line in comics, THE CHILL is shadowy and sexy –
and pulp in all the best ways."

GREGG HURWITZ, AUTHOR OF *TRUST NO ONE*

The Waking Is the Hardest Part

A parent's love is universal—and that love doesn't end with the demise of a child. As authors from *W.W. Jacobs* to *Stephen King* have reminded us, a parent will do almost anything to overcome that loss... and sometimes even death itself isn't an insurmountable obstacle.

Writer *Raven Gregory* revisits the theme of parental love and loss in ***The Waking***, a miniseries produced for Zenescope. One of the story's most powerful plotlines touches on a father with an incredible ability who must choose between avenging the death of his daughter or losing her forever. So just what is the father's involvement? "I can say that he and his daughter are definitely a big part of the mystery behind the 'wakings,'" Gregory said. "As to what extent—well, you'll just have to wait and see."

The Waking, described by Zenescope as "one of the hottest, freshest new takes on the zombie mythos," begins with a series of murders in the Big Apple. "Four detective investigating two random murders begin to discover clues that the victims of these heinous crimes may actually be returning to avenge their own deaths," Gregory said. "Now, in a race against time they must discover those responsible for the murders and uncover the supernatural source behind the 'wakings.'"

Gregory explained what made ***The Waking*** more than the typical zombie tale. "Before Romero made ***Night of the Living Dead***, EC Comics, *W. W. Jacobs*, *Mary Shelley*, *HP Lovecraft*, and *Edgar Allan Poe* all did stories that were focused on these dead beings whose souls were not at rest," Gregory said. "Tortured creature with a need for vengeance against those who placed them into their current state of existence. Or beings forced to do the purpose of someone who had the power to control them, to be used as an means to someone else's end.

"In that way, the zombies in ***The Waking*** are much more similar to their literary descendants than to their modern day counter parts. These are people coming back in search of those responsible for their deaths, and nothing will stop them from getting their revenge. The bigger mystery, though, is who and what is behind these 'wakings' and how the police plan to stop it... or if it even *can* be stopped."

Joining Gregory on ***The Waking*** is artist *Vic Drujiniu*; Gregory why the artist was tapped for the project. "Vic and I worked together previously on ***Grimm Fairy Tales*** #30 and the ***Tales From Wonderland: Alice*** one-shot ***Tales From Wonderland: Hatter Part 2***, and I just love his work so much," Gregory said. "He just has a great sense of story telling and his attention to detail is just breath-taking. He's already finished all four issues and is really going places.

"Also working with us on the series is colorist *Mark Roberts*, who has done some work with Vic in the past as well as a few Zenescope books as well. He really knows how to set the mood with his colors; he turns in some of the most beautiful pages I've seen."

In addition, Gregory has enlisted some high-profile talents to supply the cover art for the miniseries. "I've been really lucky in that, after many years of running the convention circuit, some of the big guns were nice enough to do me a solid," Gregory said. "*David Finch* did an incredible painting for the first issue; my good friend *Eric Basaldua* did the other cover for ***The Waking #1***. *J. Scott Campbell* supplied the lovely cover for the second issue. I've been really lucky in having good relationships with these wonderfully talented people."

To ensure that the book stays on schedule, all four issues were fully written, pencilled, and lettered before the first issue was solicited. What led Zenescope to make such a commitment of financial resources and talent? "As a reader and a fan, to me, there is nothing more annoying that getting into a great new series and then having to wait for it to come out on time due to delays," Gregory said. "Not that there isn't a reason for delays but with the proper planning a lot of those delays can be avoided. My first creator owned series, ***The Gift***, had some of those same delays; this time around, I wanted to make sure that wouldn't happen again. We're publishing the first two issues on a biweekly schedule; the third and fourth issues will ship monthly after that."

Zenescope seems to have established itself as a home for imaginative, edgy reinterpretations of literary classics such as ***Grimm's Fairy Tales***, ***Alice in Wonderland***, and ***Peter Pan***. How'd the company come to focus on this sort of literary reinvention, and why is it such a successful formula? "My ***Wonderland*** co-creators, *Joe Brusha* and *Ralph Tedesco*, are to thank for that," Gregory said. "I think the stories do so well because such a large portion of society is familiar with the stories to begin with, and as they grow up, they enjoy seeing these familiar fairy tales and children's stories grow up with them."

Gregory is already working on the final installment of the ***Wonderland*** trilogy; what's the focus of that story? "Calie Liddle, daughter of the original Alice Liddle, ventures into Wonderland to reclaim her daughter who was stolen from her at the end of the ***Beyond Wonderland*** series by her brother Johnny, the newly crowned Mad Hatter," Gregory explained. "It's up to her to find a way to put a stop to Wonderland once and for all."

I COULDN'T FEEL.
I MISSED HER SO MUCH.
MY WIFE LEFT ME A FEW MONTHS LATER. I FELT NOTHING. BUT THAT NIGHT WHEN I RETURNED TO THE GRAVE...I FELT SOMETHING.
SOMETHING BURIED SO DEEP THAT I COULD BARELY REMEMBER WHAT IT WAS.
THIS JUST IN, ANOTHER CHILD HAS BEEN FOUND MURDERED IN A PARK THIS EVENING. THE POLICE REFUSE TO COMMENT BUT INSIDE SOURCES SAY THIS MAY BE THE SAME INDIVIDUAL THAT HAS BEEN KILLING CHILDREN THROUGHOUT THE LAST YEAR.
THE KILLER'S LAST VICTIM WAS MADISON RAINE, A SEVEN-YEAR-OLD GIRL WHO WAS ABDUCTED FROM HER SCHOOL IN LATE MAY.
IT'S LIKE TELLING YOUR HEART TO BEAT. YOU JUST CAN'T APPRECIATE IT UNTIL IT'S GONE, AND THERE ARE SOMETHINGS YOU JUST CAN'T UNDERSTAND.
AND THEN I REMEMBER...JUST HOW POWERFUL HATE CAN BE.

If there's any single factor that can be credited for the success of the ***Wonderland*** books, "I think it's Calie," Gregory said. "She's gone through such a wide range emotional journey and become this tragic yet courageous character and I think watching her grow and come into her own has really appealed to the readers."

Does Gregory have anything else in the works? "A couple of things, but nothing I can announce yet," he said. The only thing I *can* say is that readers should keep an eye out for ***Grimm Fairy Tales #50***—big things are coming!"

The Waking #1, a $3.99 comic that kicks off the four-issue biweekly miniseries, is slated for early February release.

by Cliff Biggers

Courtesy your friendly neighborhood comics outlet!

The following comics and comics-related books are tentatively slated for release on the dates given, based on the latest information provided by the publishers at press-time; if no date is listed, the books are tentatively scheduled for release sometime in the month of January. (Also, please note that some books originally slated for release in December may be pushed into early January due to the "skip week" between Christmas and New Years.)

At the request of many retailers, fans, and publishers, we offer Diamond Comic Distributors' code numbers after the publisher's name for each item to make it easy for stores to special-order items for you, should they not be a part of your comic shop's standard order.

PREVIEWS
One Catalog. TONS of Cool Stuff.

From comic books to action figures, games to DVDs, there's something for everyone in the December issue of *PREVIEWS*!

ON THE COVER ...

PREVIEWS
DEC 2010
IRON MAN 2
Specialty exclusive Iron Man 2 product from DST continues this month in the toy section of PREVIEWS.

DC UNLIMITED

HBO's TRUE BLOOD MERCHANDISE—*True Blood* is a smash hit, and DC Unlimited — makers of fine *World of Warcraft* collectibles — will have Fangbangers everywhere hungry for the real thing: official *True Blood* merchandise!

MARVEL SELECT: IRON MAN 2 ACTION FIGURE
Diamond Select Toys presents the first, exclusive action figure based on the summer 2010's highly anticipated Marvel movie event, *Iron Man 2*, once again starring Robert Downey Jr. as Tony Stark, and featuring Don Cheadle as James Rhodes, a.k.a. *War Machine* — whose movie action figure is offered in this month's DST offerings!

370+ pages of cool stuff that starts shipping in February!

CHECK OUT THESE OFFERINGS:

Devil #1—Manga artist Tarsaro Kishi and anime studio Madhouse (*Trigun, Paprika, Ninja Scroll*) love comics. So much so that they've decided to publish an original, Western-style comic exclusively with Dark Horse! Enter **Devil**, a thrilling four-part sci-fi take on the vampire genre!

Batman & Robin Deluxe Edition Volume I: Batman Reborn HC—Batman and Robin hit the streets to face the "Circus of Strange" and investigate the abduction of a child by the mysterious Domino Killer. Find out if this new Dynamic Duo can find a way to work together in this deluxe collection of the first six issues!

Spawn #200—Todd McFarlane and co-writer Robert Kirkman present the all-star, 200th issue of *Spawn*, featuring the biggest, most action-packed, guest-star-laden issue in its 17-year history! And with a guest-appearance by GOD, it's confirmed that all the stops truly have been pulled out!

Doomwar #1—The heroes of the Marvel Universe finally move into action against Dr. Doom following his conquest of Wakanda and the capture of its priceless Vibranium reserves. With the life of Storm hanging in the balance, it's all-out war on Latveria's iron-clad ruler, with the X-Men, the FF, and *two* Black Panthers (*and* Deadpool!) leading the global assault!

AND BE SURE NOT TO MISS:

- **Heroes of the DCU: Bizarro Bust** from DC Direct!
- **Marvel Select: Iron Man 2 War Machine Action Figure** from DST!
- **Classic Marvel Figurine Collection: Fin Fang Foom Special** in Books & Magazines!
- **Galaxy Quest: N.S.E.A. Protector Model Kit** in Statues & Models!
- **Universal Monsters Funko Force Figures** in Collectibles & Novelties!
- And Much, Much More!
